The Spoken Word Performance Poetry Ensemble

A CLASSIC/HISTORIC EVENT
FREE AND OPEN TO THE PUBLIC

The Spoken Word was founded and directed by Darrell Stover in 1988. Doc Powell engaged the group of poets to add musicians, primarily the Malcolm X Park Drummers and Dancers in 1989. Other poets, musicians, dancers, rappers, storytellers, and vocalists have lent their talents over the years. Joy Jones, through The Spoken Word, has guided workshops at St. Elizabeths Hospital for 25 years.
